SUPERIOR DURABILITY

Rust-Oleum® HOME is a revolutionary, 2-step floor coating system that allows you to easily update and transform outdated floors leaving an extremely durable finish that's built to last.

FORMULATED TO WITHSTAND
LIFE'S TOUGHEST MOMENTS

STEP 1
BASE COAT

CHOOSE YOUR BASE COAT

Base Coat provides color and an extreme bond to any flooring material. Apply directly to the surface with no stripping, sanding or priming needed.

STEP 1 - BASE COAT

TINT TO DESIRED COLOR OR SELECT A PREMIX COLOR

WHITE/TINT BASE

DEEP TINT BASE

Colors shown on this printed piece may vary slightly from actual product due to aging, lighting, and printing process. See paint desk for all tinting options.

**STEP
2**
TOP COAT

CHOOSE YOUR TOP COAT

Clear Top Coat provides protection and desired sheen in a single coat. Walk on in one day.

Available in
Matte or Semi-Gloss sheens

TRANSFORM YOUR SPACE

Rust-Oleum® HOME is offered in a wide variety of sizes for your small and large projects!

Quarts cover up to 100 sq. ft.

Gallons cover up to 400 sq. ft.
